FOLLOWING IS A LIST OF ALL ABC TELEVISION NETWORK PROGRAMS DESIGNED FOR CHILDREN TWELVE YEARS OLD AND YOUNGER THAT WERE SCHEDULED FOR BROADCAST DURING THE FIRST QUARTER OF 2010, JANUARY 1, 2010 THROUGH MARCH 31, 2010. THIS CERTIFIES THAT ALL OF THESE PROGRAMS WERE FORMATTED (IN THE ORDER AND AT THE TIMES INDICATED) TO ALLOW FOR NO MORE THAN 10.5 MINUTES OF TOTAL COMMERCIAL TIME PER CLOCK HOUR ON WEEKENDS AND 12 MINUTES OF TOTAL COMMERCIAL TIME PER CLOCK HOUR ON WEEKENDS AND 12 MINUTES OF TOTAL COMMERCIAL TIME PER CLOCK HOUR ON WEEKDAYS, OR HALF THAT ALLOTTED TIME FOR AN ISOLATED HALF HOUR OF CHILDREN'S PROGRAMMING.

IF THE NETWORK SCHEDULED A HALF-HOUR CHILDREN'S PROGRAM CONTAINING 5.5 COMMERCIAL MINUTES IN A CLOCK HOUR WITH A NON-CHILDREN'S PROGRAM, THE NUMBER OF NETWORK COMMERCIAL MINUTES IN THE CHILDREN'S PROGRAM WOULD HAVE BEEN DECREASED TO COMPLY WITH THE COMMERCIAL LIMITS.

Re: Children's Television Act Report Form 398

ABC-TV Network First Quarter 2010 Program Information

Today we are sending the FCC Children's Television Act Report Form 398, filled in with the ABC-TV Network information for the first quarter of 2010. We have entered on this form information concerning ABC-TV Network programs that were scheduled for broadcast during this past quarter and that in our judgment are "specifically designed" to serve the educational and informational needs of children within the meaning of the Children's Television Act of 1990, as amended. We have also answered Question 14 concerning planned educational programming for next quarter as it relates to network programming. Stations may use this document to complete their Form 398 for electronic filing with the FCC.

Because the various live network feeds and preemption patterns differ substantially among the time zones, we are continuing to prepare individual reports for stations in each of the four time zones.

Please note that in light of the surrender of the analog spectrum, we are again listing all the ABC Kids programs for this quarter under Question 10 (digital core programming) and none under Question 4 (analog core programming).

Below are revised and updated instructions for completing the form.

Completing the Form

Because this form reflects broadcast of network programming in live clearance periods, you must tailor it to your individual station schedule, if different, and add any local and syndicated children's educational programming that you air on your main digital program stream as well as your digital multicast program streams. To complete the revised version of the form, you will need to:

- a. Fill in the general station information in Question 1.
- b. Omit Questions 2 through 6, which are no longer relevant since the surrender of the analog spectrum.
- c. Complete Questions 7(a) and 8, regarding the average number of hours of core programming aired on your main digital program stream, and the average number of hours of programming generally, and of core

programming, aired on your other digital program streams. (Leave blank Questions 7(b) and (c) if possible, as they are no longer applicable; if the form does not permit this, we would suggest you just check "yes" to both.) Also complete Question 9, regarding the efforts to notify publishers of program guides about your core programs and their target age groups. In Question 9(b), you should identify the publishers to which you send information about your educational children's programs, including the programs' target age group. If you wish, you may also indicate that the ABC Television Network on your behalf sent this program information to TV Guide (for publication in both the United States and Canada) and the Tribune.

- d. Revise and complete the digital "core" program information and the "Preemption Report" boxes for the ABC Kids programming listed within Question 10 to reflect any local preemptions or out of-pattern rescheduling of network programs (eliminating a program entry entirely if your station did not clear the program during the quarter). Unless you somehow removed or obscured the network-provided E/I icon, check "Yes" in the box that reads: "E/I Symbol Used as Required." Respond to the questions in the preemption boxes about whether the rescheduled date and time was the program's "second home" and whether promotional efforts were made to notify the public of the rescheduled date and time. After the network programming already listed, list any additional non-network programs that ran on your main digital channel, or on your other digital program streams, for which you are also claiming core educational and informational credit. You may wish to distinguish between programs on your main digital channel and on your digital multicast channels with a parenthetical note following the date and time the program aired. You may also wish to indicate in parentheses which shows were originals and which were repeats of other shows already counted for core credit the same week.
- e. Respond to Question 11, certifying that at least 50% of the core program counted toward meeting your requirement is not a repeat of programs that you already counted for core credit and that ran within the previous seven days.
- f. Respond to Questions 12 and 13 regarding non-core educational and informational programming that you may have aired, and core programs that you may have sponsored on other stations.
- g. Revise and supplement the information that the network provided in response to Question 14, regarding core programming planned for next quarter, to reflect any deviations from the network schedule as well as any non-network core programming that you intend to air on your main or other digital multicast channels next quarter.

h. Complete Questions 15 through 17; sign and date.

This form is designed to furnish you information concerning network children's programs to enable you to meet the record keeping requirements of the Children's Television Act. The completed form should be transmitted electronically to the FCC, and a copy placed in your station's public inspection file in a location set aside exclusively for your station's Children's Television Programming Reports, by ten days following the end of the calendar quarter to which it pertains.
